The Board of Education recognizes that the nutrition of district students is an important factor in their educational progress. The Board therefore shall participate in federally funded school lunch programs, and shall provide free or reduced price food services to qualified district students.

The district may provide this program through the summer months. The location of this summer program will be advertised on the district website, at local social service offices, in local community centers and on summer program descriptive and enrollment literature.

Availability, Application & Notification:

Notice of the availability of the free and reduced price meal programs will

In addition, in order to reach students who are eligible for free and reduced price meals and to comply with state law, three times per school year the Director of Food Services will review the list made available by the State Education Department of children ages three to 18 who are in households receiving federal

to identify students within the district. The district will send a notice to those families apprising them of their student's eligibility to participate in the school

meal programs without further application. Parents may decline participation by informing the district in writing. If the service is declined, the student will be removed from the eligibility list.
